Method: LetGuess

(Best for 2-6 people)

Take a card, read it out loud, and everyone else can try to guess what your answers to the question would be. Discussions can go on as long as wanted. Then the next person takes a card...

Order a new deck on: fb.me/deepcards

Method: ConversationStarter

(Best for 4-20 people)

When meeting up in a group, every new person that joins needs to take a card and answer the question. Allow people to ask follow up questions.
