

Way 1: Take & Answer

(Best for 2-6 people)

Take a card, read it out loud, and answer the question. Anyone else who wants to answer the question, can answer it.

Discussions can go on as long as wanted.

Then the next person takes a card and so on.

Way 2: LetGuess

(Best for 2-6 people)

Take a card, read it out loud, and everyone else can try to guess what your answers to the question would be.

Discussions can go on as long as wanted.

Then the next person takes a card and so on.

Way 3: Conversation Starter

(Best for 4-20 people)

When meeting up in a group, every new person that joins needs to take a card and answer the question. Allow people to ask follow up questions.
