

What is the first thing you do  
when you wake up?

Do you have an interest/trait  
that no one would expect  
from you?

If you were stuck on an Island  
for a year, who would you  
want there with you?

Your house with all your stuff  
is on fire – which two things  
would you save?

*If you are really lazy and unmotivated, what is your trick to push yourself and start doing something again?*

If you would be sure that your book would be sold 100,000 times – what would you write about?

What would you do  
if you were president?

If you could change something  
in the way you have been  
nurtured – what would it be?

If you could wake up with  
a new skill tomorrow  
– what would it be?

If you died today evening  
without having the chance  
to speak to anyone before  
– what would you regret not  
having told someone? Why didn't  
you tell it him/her already?
